

## Why Knowledge Plus leads as an Information Communications Technology (ICT) provider?

Knowledge Plus is an award-winning solutions provider that thrives in staying one step ahead of the competition. It is well-versed with the IT challenges of SME's and wants to help revolutionize their business efficiency and productivity through custom-design ICT solutions.

They achieve this with their rich pool of -- highly skilled, proactive staff and expert consultants, as well as, close alliances with global technology giants such as Microsoft, Cisco and HP.

### What we do

Knowledge Plus aligns technology – such as hardware, networking infrastructure, IP telephony, database integration and IT management and support -- with your business objectives in order to give you 100% transparency into your IT systems and processes. This in turn, empowers you with better awareness and control for a more reliable, efficient and cost-effective business management solution.

### Why choose us

We put our money where our mouth is and use the very same innovative solutions we offer our customers, in-house. We only recommend products and services that our company deem viable and would invest in for ourselves.

To stay viable in this competitive age of information and communications, you will be wise to work with providers, like ourselves, who are well-versed in customizing technology solutions that will empower your business to achieve more with:

- less expenses relating to your strategic IT and communications systems
- more effective connectivity -- with your team, customers and the market at large
- greater adaptability to market changes via a slew of medium

### The thumbs up from customers

Among others, this is what one of our customers -- Adelaide Strata and Community Management – say about our service:

(Knowledge Plus's) professionals (are) approachable, personable and (we) appreciate their genuine interest in our business progress... their early response and prompt attention to any problems – hallmark of their operation – ...sets (them) apart from their competition.
